Game, Anomia
Material Number: **11035**
Unit of Measure: **EA**

Anomia, the game where common knowledge becomes uncommonly fun! Our minds are positively brimming with random information. Under normal circumstances, it's easy enough to give an example of a frozen food, or a dog breed; but you will find that your brain works a little differently under pressure! Easy to learn, fun to play over and over again, Anomia will have everyone shouting and laughing out loud as they try to beat each other to the punch!

Game, Bananagrams

Game, WordSpiel
Material Number: **11036**
Unit of Measure: **EA**

Where the END is just the BEGINNING! Use your words wisely and be the first to get rid of your cards! Each word spins off the last, so the game will never be the same twice! During your turn, simply start your word with the last card played. Just like the name, WordSpiel ("Spiel" uses the "S" from "Words"). Get it?! Use the timer or take your time, just be sure to put your best word forward! WordSpiel is a simple, yet dynamic card game that everyone enjoys!

Material Number: **6767**
Unit of Measure: **PKG**

Wipebook Flipchart-Original 24x36"10shts
Material Number: **11706**
Unit of Measure: **EA**

CAN BE ROLLED FOR STORAGE How to use a Wipebook or Flipchart with dry-erase markers What type of markers or pen can I use? We recommend 2 options for the markers: a) Lumocolor Correctable: If you want to limit smudging and keep your notes and doodles for a longer period of time we suggest the Lumocolor Correctable markers by Staedtler. These are hybrid-style markers that are a cross between a dry and wet-erase. So they will "dry erase" for up to 3 days. But don't worry the markings or doodles will still come off after about 3 days if you use a very lightly damped paper towel with a bit of water. b) Expo Ultra Fines: If you are looking to use the Wipebook for temporary notes and doodles we recommend the Expo Ultra Fines. These will come off very easily with a dry paper towel for example.

Wipes Disinfectant Surface Cleaner 160/T
Material Number: **6361**
Unit of Measure: **EA**
